

Introducing...

Cokesbury's VBS 2012

It's time to dive in and discover God's underwater universe! With *Operation Overboard*, your divers can swim with humpback whales and seahorses, scuba through a vibrant coral reef, and take a personal submarine to the ocean floor. As they journey below the water's surface, they will plunge into Bible stories of people with deep faith and learn to trust a God whose love is bigger than the sea.
