

eye of the god

Ariel Allison

Fast-paced intrigue and suspense of global proportions

Is the curse of the Hope Diamond real, or just a legacy of greed?

When international jewel thieves attempt to steal the Hope Diamond from the Smithsonian Institution, only its curator, Dr. Abigail Mitchell, stands in their way. Abby soon realizes she alone holds the pieces to the complicated puzzle in this deadly game of illegal art collectors.

Abby's faith is put to the ultimate test as she confronts the father who abandoned her, the betrayal of the only man she has ever loved, and the possibility that she may lose her life because of the legendary gem.
