Description	Looking at pop culture heroes and others through the lens of faith, Rawle shows how Jesus turned the concept of hero on its head. The book examines how good vs. evil, right vs. wrong, and overcoming adversity are fundamental to how Christians understand salvation.	There are two components to every miracle: divine action and human responsibility. For a real miracle to take place, God expects us to apply our talents and abilities—acting with God to perform divine work. Slaughter examines biblical examples of how to use our God-given gifts for God's glory.	Adam Hamilton believes that powerful answers to many of our complicated questions are contained in the Apostles' Creed. This study explores what Christians believe, why they believe it, and why it matters, leading readers to confront and examine their own core beliefs.	The Gospel of John includes some of the loftiest and most-loved verses in all the Bible. Join Adam Hamilton and experience a season of spiritual growth and life-changing renewal as you read the entire Gospel of John, exploring its major themes.	Explore Jesus' final words from the cross. Each chapter includes the biblical account followed by a story written from the viewpoint of a witness at the cross.	What a difference a day makes. You hear people say that phrase all the time. It could not be truer than when talking about the last day of Jesus' life. Adam will help you experience and understand the significance of Jesus' suffering and death by retracing the day that changed human history.

Description Author Tom Berlin encourages us to reflect and meditate through our own brokenness, showing us that it is only when we focus on the cross as a place to surrender control that we can leave our mess and find true redemption.

We are living in uncertain times. It is those who are willing to embrace uncertainty and make the risky decision to follow Jesus despite the many “unknowns” who will reap the greatest rewards. *Embracing the Uncertain* invites readers this Lent to engage and wrestle with life’s uncertainties, not ignore them.

This study explores how Christ’s resurrection shakes some of our most basic assumptions about ourselves and God. It reverses the usual focus of Lenten studies by starting at the empty tomb and seeing the entire journey in light of the resurrection.

This study invites us to explore God’s saving and redeeming love through a study of the Scripture readings for Lent and Easter. Through Dawson’s insightful personal reflections, you’ll come to a deeper understanding of the salvation Christ offers and the ways God restores us and our world to wholeness. Includes Leader Guide by Nan Deurling.

There is a truth greater than all the losses and sorrow of life. Lucado takes the reader deep into the meaning of Jesus’ last hours on the cross. Through his death, your life has purpose and meaning. Supported through video as a Live Bible Study on Facebook Live, then subsequently supported through online streaming.

Every gift from God reveals his love, but no gift reveals his love more than the gifts of the cross. In this five-session video Bible study, Lucado explores the many gifts that Christ provided to us at his crucifixion.
