

Stewardship Resources

Title	NEW! <i>Defying Gravity: Break Free from the Culture of More</i>	<i>Earn. Save. Give. Wesley's Simple Rules for Money</i>	<i>Treasure: A Four-Week Study on Faith and Money</i>	<i>first: putting GOD first in living and giving</i>	<i>Extravagant Generosity: The Heart of Giving</i>
Author(s)	Tom Berlin	James A. Harnish	Jacob Armstrong	Mike Slaughter	Robert Schnase, Michael Reeves, Jennifer Tyler
Description	Our possessions can create unbearable weight and affect our ability to serve and thrive. How do we defy gravity and find freedom? Berlin explores what is required to sustain a vibrant life, what we need versus what we want, and what we can do to avoid being pulled into the orbit of materialism.	John Wesley believed money was important as a way of expressing and living out Christian faith. This essential little book presents Wesley's concepts and beliefs in plain, useful language, suitable for individuals to grapple with and groups to discuss and act upon.	This program and churchwide study uses Matthew 6 to reexamine how we look at our finances and possessions through the countercultural teachings of the Sermon on the Mount.	This program helps participants reassess priorities, create a lifestyle of faithful living and giving, and make a meaningful contribution in the world. To be used with the <i>shiny gods</i> book, DVD, and Leader Guide.	This best-selling program offers the ideas and tools needed to reach all levels of the church. By involving church members in thinking and praying daily about their financial discipleship, the entire congregation will move towards goal-oriented and mission-minded giving.

Focus	Perfect for a four-week stewardship campaign and small-group study, <i>Defying Gravity</i> offers multiple format options, videos, handouts, and other tools. Break free from the culture of "more" and help your congregation become, instead, a church of generosity.	This twenty-first century translation of Wesley's money management philosophy will give everyone in your congregation—adults, as well as children and teenagers—a new way to think about money, not only during your stewardship program, but for the rest of their lives.	Encourages participants to compare their deepest beliefs and values with where they are currently giving their treasure (time, energy, and money). Includes compelling small-group videos, sermon ideas, and video lead-ins.	Encourages participants to readjust priorities in living and giving, extend the topics of spending and giving to year-round habits, and model generosity for the younger generation.	Offers structure and tools to ensure that the stewardship message consistently reaches all church members, built on <i>Five Practices of Fruitful Congregations</i> by Robert Schnase.
