Description	This program helps participants reassess priorities, create a lifestyle of faithful living and giving and make a meaningful contribution in the world. To be used with the <i>shiny gods</i> book, DVD, and Leader Guide.	This new program presents giving as a lifelong journey to Christian discipleship with an equal emphasis on prayer, Bible reading, worship, witness, financial giving, and service.	This bestselling program offers the ideas and tools needed to reach all levels of the church. By involving church members in thinking and praying daily about their financial discipleship, the entire congregation will move towards goal-oriented and mission-minded giving.	This campaign emphasizes the positive effect of simplicity and generosity on the lives of participants. It transforms how participants view the roles of possessions and wealth in connection with their life's purpose.	This program guides participants through 40 days of spiritual development focusing on prayer, presence, gifts, and service. It fosters a church culture of participation, commitment, teamwork, ownership, and generosity.	This classic program has helped thousands of congregations increase their financial giving by 15% to 30% in the first year alone. It emphasizes the church leadership team and utilizes a Guest Leader to teach stewardship from a spiritual rather than fundraising perspective.
