

Fall Kids' Book Alert

The *Live B.I.G. Ages 3-4 Kids' Book* for Fall 2008 has a perforation error in each week's Bible story-book. The perforations should have stopped half-way on two of the picture squares to allow you to nest the pages together and then fold the pages to make the storybook as indicated in the Leader's Guide on page 142. Instead, the perforations completely tear all the picture squares apart.

Because we wanted to be good stewards of the materials that have already been printed, please make the following modifications to the storybooks.

1. Tear apart all four picture squares.
2. Stack the pictures according to the numbers in the example printed below.
3. Staple the pages together in the upper left-hand corner.
4. Cover the prongs of the staple with a small piece of tape or colored sticker.

We apologize for your inconvenience and appreciate your understanding. The error will be fixed with the Winter Kids' Book.
