Follow Me

John 1:35-51

Make some cupcakes or large round sugar cookies. Add frosting to the top of the cupcake or cookie. Add a mint patty on top of the frosting for a foot pad. Now add Junior Mints® to make the toes. Jesus told some men to follow him. They literally did follow him. They also worked with him and became known as his disciples. As you eat your cupcake or cookie with the “footprint” on it, think about how we can “follow” Jesus today.

You are the Messiah

Matthew 16:13-18

Get a sheet of paper and write the word “Messiah” across the top. See how many other words you can make using only the letters in the word “Messiah.” Can you find ten? Why is the word “Messiah” so important in the story this week? Read Matthew 16:13-18 to see who said it and what response he got from Jesus.

Wash My Feet

John 13:1-9, 14

Jesus told his disciples that he set an example for them. If he could show kindness to them by washing their feet, then they could show kindness to others as well. Jesus was serving his friends. How can you be of service this week? Can you think of someone you can help? What would they need you to do? Try your best to do something of service for someone this week. Follow the example that Jesus set for us.

Pray with Me

Mark 14:32-42

Some people keep prayer journals. They may write out their prayers to God or they may simply make a list of people and needs that they are praying about. Keep a prayer journal this week. You may want to write your prayers this week or you may just want to make a list of people that you are praying for. Try it for a week and see if this is something you might want to start doing more often. When Jesus prayed, he told God what was on his mind. You can do that, too.
